3. Parents are provided with frequent reports on their children's progress. Specifically, the school provides parents with reports on student progress, eight (8) times each school year through mid-terms and end of term progress reports. In addition, on-line grades are available on a daily basis.
4. Parents are provided reasonable access to staff. Specifically, staff will be available for consultation with parents during scheduled Parent-Teacher Conferences, and in addition, immediate on line e-mail and website access.
